

Carriage Driving Sports Group

For Drivers with Disabilities

- Mind over matter, there are No Limits !

Carriage Driving Sports Group for Drivers with Disabilities

If you are challenged by disability, passionate about reaching your limits and raising your goals, then carriage driving may be for you and the CDSG-dd would be delighted to hear from you.

The group consists of disabled people from all walks of life from around Britain, catering for drivers keen to improve their driving skills and develop individual confidence, motivation and achievement. Many of the CDSG-dd drivers initially joined the group through their local RDA groups and have since progressed their skills and gone on to represent their country at international level.

The group holds a number of training days around the country to help disabled drivers fulfil their potential and is eager to encourage and welcome new members. These opportunities enable you to be involved in sports driving at any level, whether it is for fun, hobby or more seriously in sports driving competitions

CDSG-dd clinics

- provide an invigorating environment for learning and development
- provide opportunity for drivers to enter into discussion with other disabled drivers and with coaches helping them to consider if and how they could further increase their own opportunities

If you would like to know more, feel you can help in any way or perhaps are interested attending training sessions, please contact the Secretary; Lindsey Tyas at enquiries@cmsg-dd.co.uk. Tel: 07721 833 730 or visit our website www.cmsg-dd.co.uk.
